HOW DO I GET A LIBRARY CARD

• Contact the Office of Student Experience (OSE) ose@nscad.ca to get your ID card

• When you have an ID card, contact Jan in the Library jbrown@nscad.ca and she will help you to get registered with the Library, and will give you a barcode for your Card!

• You will need the barcode to use the NSCAD Library for borrowing items, and to log into your “Novanet” account

• If you are not in Halifax and need a barcode, you can fill out a form using this link: https://forms.nscad.ca/form?form_id=71524 – you will need to login to the form portal using your NSCAD login credentials (same as email)
WHAT IS NOVANET?

• The NSCAD Library is a member of a consortium of post-secondary libraries called Novanet.

• Novanet includes all university and community college libraries in Nova Scotia, and now includes Mount Allison University in New Brunswick

• Novanet is what we call the shared catalogue for all of its members. Novanet also administers a Borrow Anywhere, Return Anywhere (BARA) partnership with the province's public library system, and staff members of Novanet libraries provide an online reference service, LiveHelp.

• We have a few short tutorials to help you get started searching in Novanet - https://www.youtube.com/channel/UCkSLzMAW0Sr8NViQz3zuWw
